

My family and I listen to K-LOVE every day on 107.1, and sometimes on 100.9. We hear positive and encouraging music that is family friendly. K-LOVE is a very important service to our community, it gives families a wholesome alternative that the whole family enjoys. If K-LOVE were to be replaced with a less than wholesome radio station, it would not help our community, it would hurt it. We believe that K-LOVE is a valuable tool in raising our children to be responsible and productive members of our community. If all radio stations had the messages that K-LOVE has, the music that K-LOVE plays, this world would be a much better place. Thank You!
